Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. (In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

I did not receive any of the office actions because they did not go to my mailing address in Oakwood Cove, which I had put in my Petition to Revive, but went to my old attorney Davis and Bujold. They had submitted a request to withdraw as my attorneys and for all correspondence to be sent to my address in Oakwood Cove, but the correspondence was still sent to Davis and Bujold. They did contact me after the application had been deemed abandoned and when the Examiner contacted them, then I contacted the Examiner and am now filing this Petition. Davis and Bujold have now sent to the patent office another request to withdraw as my attorneys.

(Please attach additional sheets if additional space is needed.)

Reply to Office Action

04/26/2010

I have submitted a Petition to Revive Unavoidably Abandoned Application as I did not receive any office actions from you. Davis and Bujold have resubmitted a request to withdraw as my Attorneys. I hope from now on correspondence will go to my mailing address at 310 Oakwood Cove, LaVergne, TN 37086-4130.

I am filing a continuation and will address your objections to my claims there.

Regards,

Greg Orme.
